AVAILABLE DOCUMENTATION

- Technical Data Sheet (TDS)
- Material Safety Data Sheet (MSDS)
- Migration testing passed according to 10/2011/EC
- Compliance on California Prop. 65
- AMES-Test report = Microbiological testing on the raw material
- Compliance on Leave-On-Rinse-Off for Cosmetics
- Compliance on Toys Regulation 71-3
- EuCertPlast certification in line with EN15343:2007 (Calculation of recycled content, traceability)

GOOD TO KNOW:

- Material is currently in review for a letter of no objection (NOL) from the FDA.
- Although, extensive testing has been done it does not release the customer from conducting their own testing to ensure compatibility of the final product.
